Approximate driving time from Aviano's Area 1 - 30 min

4, Via Ettoreo - Sacile

- Exit to the right out of Area 1 and proceed to the traffic light where you will again turn right.
- You will drive through Castello di Aviano and continue for approximately two miles until you reach a stop sign where you will see the flight line off in the distance on your left.
- Continue straight for approximately 3 more miles at which point you will enter the town of Vigonovo.
- At the first light in Vigonovo you will turn left (you will see a large Church on your right). Immediately after you turn left you will come to a second traffic signal which you will pass straight through heading towards Sacile.
- Proceed straight for approx 5 miles until the next traffic signal which will be the SS-13 intersection in Sacile. At that traffic signal you will see the "Dome" across the street slightly off to your left, cross over the intersection keeping the "Dome" on your left.
- Proceed, just past the Dome, and take the street to the right. Continue straight until you see the sign "Hospital" (Ospedale in Italian) directing you turn right. Once you turn right you will see the hospital directly in front of you.
